

I am participating in Spectrum School's *The Greatest Fun Run Field Day* for a fitness and fun event on May 21, 2021 and would appreciate your sponsorship. I am excited about raising money for our school, being healthy, and having fun; all at the same time!

100% of the donations from Spectrum School's *The Greatest Fun Run Field Day* will benefit my school and be used to enhance and enrich our nature-oriented, play-based educational program.

We have so much fun learning! I love my school!

Thanks for helping,
