

**2021-22 Younger (Ms. Sally) and Older (Ms. Kelli) Intermediate Elementary
Welcome Letter and Supply List**

We are looking forward to the beginning of another school year at Spectrum!

One goal that we have been working towards is eliminating waste in the classroom as a way of teaching students the importance of taking care of our planet. This summer, during the move to my new classroom, we took time to consolidate materials and found an abundance of available supplies. The good news is that your child will only need a few items to start off the school year.

- Refillable Water Bottle (To keep our brains hydrated)
 - Raincoat (We are outdoors as much as possible)
- Rain Boots for Spring and Fall, Snow boots for Winter (Dry feet are important)
 - Backpack (See below)
 - Lunch Box (See below)

- **OLDER IE ONLY:** We will use a Chromebook daily. If your child does not have one, we have some at school that can be provided in the classroom. Also, headphones that have a mic are recommended, but we do have a few at school that can be used if needed.

Anything linked below are just examples of the items out there (with good reviews). Price points can be across the board but with a little hunting (or thrifting), I'm sure a deal can be had.

Backpacks

Thrift/find secondhand or pick one with a [lifetime warranty](#).

Lunchboxes

Thrift/find secondhand or find one made out of [stainless steel](#) or [100% cotton](#).

Enjoy the rest of your summer adventures. See you in August!
