

## 2021-22 Welcome Letter and Supply List - Ms. Jacque, Early Elementary (K-1)

Dear Spectrum Early Elementary Families,

We hope you're having a safe, relaxing summer. We have been busy preparing the school and classrooms for our 2021-22 school year. We are very excited to get back to a somewhat normal classroom routine. Our yearly schoolwide theme will be "Explore", which we intend to do through the entire school year. Our classroom name will be "Foresters". We will begin our year exploring the 'Forest' around our school. We will be paying special attention to the birds who inhabit the land around our school and the Rockford area.

We're very excited to be able to work as an Early Education team this year. This will allow us to draw on the expertise of all the Early Education team; Jacque Lind, LaShonta Gilbreath, Shelley Forss, Heather Kulpa, Kristin Bileto, and Sue Puetz. We will be able to share children for academics and work time.

**We have a summer assignment for you:** Pay attention to a bird who visits your yard this summer. Can you write a description and draw a picture? What kind of bird is it? Can mom and dad help you discover 3 facts about this kind of bird? Be prepared to share this the first week of school. We're going to learn so much from each other!!

Enjoy the rest of your summer!!!  
Jacque Lind and Heather Kulpa
